# A house of leather, since 2015.

*2015'ten beri  
bir deri evi.*

Sisorti is an İstanbul-based atelier producing premium small leather goods for brands, wholesalers and private commissions across four continents. Founded by a family with three generations of leather craftsmanship, our work rests on a single conviction: that traditional handwork and modern production discipline can coexist.

Sisorti, dört kıtadaki markalar, toptancılar ve özel siparişler için premium küçük deri ürünleri üreten, İstanbul merkezli bir atölyedir. Üç nesildir deri işçiliğiyle uğraşan bir aile tarafından kuruldu. Tek bir inanca dayanıyoruz: geleneksel el işçiliği ve modern üretim disiplini bir arada var olabilir.
